COMPANY BIO

Steel Factor Enterprises was founded by a United States Military Academy graduate, veteran Army officer, and former college football coach. These leadership experiences laid the foundation for a company built on the core principles of accountability, commitment, and teamwork. Today, **Steel Factor Enterprises** proudly provides first-class quality, innovative, and honest construction solutions to meet our clients' requirements and exceed expectations to both public and private sector clients, with a specialized ability to meet the stringent requirements of the Department of Defense (DoD) and other federal agencies.

With a team of highly trained professionals—including military veterans and reservists—**Steel Factor Enterprises** combines military precision with industry expertise to deliver services that are reliable, compliant, and scalable.

CORE COMPETENCIES

- ★ **Project Management:** Comprehensive oversight from planning to execution, ensuring projects are completed on time and within budget
